

Second Annual
Parkinson's Puzzle Hunt
A Fundraiser for "Parkinson Support and Wellness"

Saturday, May 11, 2024, 9:30 am–12:30 pm
Yellow Springs, Ohio

Teams of 1–4 people
\$10 per person until May 1
\$15 per person after May 1
Limited to 80 participants

Solving puzzles is great for brain health for people of all ages, and that goes double for people with Parkinson's Disease.

Gather a small team to exercise your brain as you walk around Yellow Springs solving puzzles suitable for all ages. Every participant gets to take home a small piece of art as a memento, and team prizes will be awarded.

The proceeds from this puzzle hunt will benefit the "Parkinson Support and Wellness" nonprofit.

According to the Parkinson's Foundation Parkinson's Prevalence Project 1.2 million people in the U.S. will be living with Parkinson's by 2030.

A 2022 Parkinson's Foundation-backed study reveals that nearly 90,000 people are diagnosed with Parkinson's disease every year in the U.S. This represents a steep 50% increase from the previously estimated rate of 60,000 diagnoses annually.
